

01 December 2021

Updated 1/12/21: For the attention of all members and visitors to Wanaka Golf Club Incorporated,

Wanaka Golf Club Inc. Vaccination Policy

The Government has announced that our region will move into the ORANGE traffic light framework from Friday 3rd December 2021 in practice.

We encourage all members to visit the relevant websites to get up to speed on what this is all about. You can find out at

<https://covid19.govt.nz/alert-levels-and-updates/covid-19-protection>

The main point for our golf club to consider, is that we have been mandated for Vaccine passports for the HOSPITALITY areas within our clubhouse.

The WGC Board has extended our clubs policy to include the Pro Shop also as an area that will require proof of vaccine. This decision has been made for the health and safety of all staff, contractors, members and visitors to the club.

From 3rd Dec 2021 please do not enter the clubhouse or proshop if you are unvaccinated for Covid-19

Unvaccinated people may still play golf casually with click and collect for any items required from the proshop. We require all unvaccinated members to contact Club Admin or Pro staff to advise of their status. A contactless plan can be developed for all of these members.

Unvaccinated people will not be able to enter club tournaments as a result of the above policy.

From 3/12/21 we require all staff, members and visitors to the club house and pro shop to be able to provide proof of vaccination with the vaccine passport, either by smart phone or print out of the passport. This will be requested, so please ensure you carry this on you at all times if entering the building. The club will collect data on vaccinated members, but this will take some time, so please ensure to ALWAYS bring your pass.

We also require ALL people to please wear a face mask when entering the Pro Shop.

The above policies do not apply to Juniors who are not eligible for the Vaccine.

From the Wanaka Golf Club
Board Of Directors.
